

Veolia is an appointed public waste collection service partner for the Pasir Ris-Tampines and Clementi-Bukit Merah sector. In both sectors, we are providing daily collection of general and recyclables waste for public housing estates, landed properties, commercial premises and government establishments.

For our Solid Waste Collection we are constantly looking for

Attendants

You will follow one of our waste collection trucks, emptying mobile garbage bins and centralized compactors into the truck on an assigned route. Teamwork, reliability and resilience are important for this role.
