

Veolia is an appointed public cleansing service partner to Singapore's central north and central south sector. In both sectors, we provide extensive cleaning services of public roads and pedestrian thoroughfares, pavements, footpaths and recreational areas.

For our Public Cleansing department, we are constantly looking for

Outdoor Cleaners

You will be part of our cleaning crews and responsible to keep designated areas clean. Depending on the environment, cleaning activities will be conducted manually or with smaller mechanical devices, like our mini sweepers. Teamwork, reliability and resilience are important for this role.
